### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In the claims:

Claim 19, line 1, the numeral "17" has been changed to --18--.

The above change was done to provide proper claim dependency since the claim was currently depending from canceled claim 17 and to provide proper antecedent basis for "the two opposite shoulders".

3. Note the mailing of the Supplemental Notice of Allowability is for completeness of applicant's records. There is no further action required of the applicant. It is noted that the Issue Fee was recorded on September 27, 2004.
